**Duncan Solutions Unveils New Website**

**MILWAUKEE, Wis. (May 13, 2013)** – [Duncan Solutions, Inc.](http://DuncanSolutions.com), a global leader in on-street parking management and enforcement technology solutions, launched the company's new website on May 13, 2013. Current and prospective users will now have enhanced access to information about Duncan's product and service solutions.

The newly redesigned [DuncanSolutions.com](http://DuncanSolutions.com) features a modern, clear design, updated company product and service information, intuitive navigation, and new search tools to direct users to their exact needs. With a new search box located at the top of each page and an additional dropdown product menu, end-users will be able to receive superior search results.

"The new site was designed with our end-users in mind," said James Kennedy, senior VP of sales and marketing. "To provide our users with an enhanced experience, we have improved our site functionality and created new tools for visitors – no matter what device they use to access our site."

DuncanSolutions.com is mobile friendly and allows end-users to navigate through the site with their mobile devices. To support web-enabled, smartphone users, Duncan will continue to place QR codes on print advertising, marketing collateral, and company promotions.

"We will continue to update our web content and build upon our new framework by adding additional resources each month," said Kennedy. "We strive to provide quality, useful, up-to-date information to our clients, and this website reflects our commitment and ongoing efforts."

Other new functions include flash banners, video, new product photos, resource downloads and links to social media sites.

Duncan Solutions, Inc., is a full-service parking management company and a leading provider of parking management products and services to municipal and commercial clients worldwide, including parking meters, enforcement solutions, citation processing, debt collections, and integrated on-street parking management services. Since 1936, the company has been in the business of providing parking solutions for more than 2,000 clients.
