

Duncan Announces Active Participation with International Parking Institute

PRESS RELEASE. For Immediate Distribution

MILWAUKEE, WI, June 8, 2012 – Duncan Solutions, Inc., a leading provider of parking management products and services, is proud to announce its continued support of and involvement with the [International Parking Institute](#) (IPI). Tracey Bruch, CAPP, Director of Business Development was reelected to serve on the IPI Board of Directors, while Vice Presidents Duke Hanson and Anderson Moore continue as active members of the IPI Advisory Council and as members and leaders of other key association committees and initiatives.

The mission of IPI is to advance the parking profession through leadership, education, professional development, connections, advocacy, and outreach.

Ms. Bruch will serve a two-year-term representing the Supplier category on the IPI Board which consists of fourteen board members. Ms. Bruch joined the Duncan team in 2011 following a distinguished public sector career culminating as the Parking Director for Clearwater, FL. She brings valuable experience and subject matter expertise to Duncan and its clients. As an IPI board member she serves on the Awards of Excellence and International Outreach Committees. She earned her Certified Administrator of Public Parking (CAPP) certification in 2004 and has presented at numerous industry events.

Mr. Hanson has served as a consultant member representative on the IPI Board of Directors and is currently a member of the IPI Advisory Council. Mr. Hanson also serves on the Technology Committee and Safety and Security Committee, and serves as Chair of the golf tournament for the annual IPI Conference & Expo.

Mr. Moore has been a member of IPI for 14 years and has served as a member of the Advisory Council for nine years. Mr. Moore is currently on the Membership Committee and Chairs the Awards of Excellence Committee.

IPI holds its annual meeting, with CAPP course offerings, at its Conference & Expo. Duncan will showcase its Liberty™ Credit Card enabled single-space meter mechanism at the [2012 Conference & Expo](#) in Phoenix, AZ in booth # 812 from June 10–13, 2012.
